Dear Families,

### Financial Information Update

We are committed to supporting our families across our community as the impact of the COVID-19 virus continues to create significant social and economic pressures for many, not only now but into the future.

We want to assure you of an important and simple message:

***The ongoing learning, wellbeing and enrolment of every student at Nazareth Catholic College will be supported while we work through this period of uncertainty together with families.***

We understand that many families within our community have lost employment, had hours of work significantly reduced, have businesses which have been forced to close or those who have found themselves in a position where income has been otherwise significantly affected.

As a result, Catholic Education South Australia, and Nazareth Catholic Community have made the decision to maintain the 2020 tuition fee structure for 2021. Normal increases associated with the progression through certain year levels (e.g. Year 6 to Year 7) will still occur. The planned increase to a full Year 7 fee in 2021 will be reassessed for 2022. Please see the table below for 2021 tuition fee information:

2020 Tuition Fee Structure		2021 Tuition Fee Structure

Nazareth will continue to offer the following fee relief options to assist families who can demonstrate a change in financial circumstance as a result of COVID-19:

- Delay, suspension or cancellation of your regular payments
- Full fee remission for 3 months, after which your situation can be reassessed
- Fee negotiation for families who have already paid their full tuition fee for 2020
