| <ol style="list-style-type: none"> 1. Nazareth Early Childhood Centre respects the privacy of information regarding your family. Nazareth Early Childhood Centre collects personal information, including sensitive information about the child and parents or guardians before and during the course of a child's enrolment at our centre. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the centre to provide care and education to the child and to enable them to take part in all the activities of the Community. A copy of the privacy policy is available on the Catholic Education South Australia website. 2. I understand that under the terms of Federal Government funding, the centre operates under priority access guidelines. If my enrolment is not within one of the specified categories I may be asked to vacate or change by booking with 28 days of notice. 3. In situations where parents are separated, it is the policy of Nazareth Early Childhood Centre to release reports to both the mother and the father of the child. It is also our policy to allow both the mother and the father to attend meetings upon request. However, the centre will abide by any court orders which prevent the release of such information. 4. Some of the information we collect is to satisfy the centre's legal obligations, particularly to enable the centre to discharge its duty of care. 5. Health information about children is sensitive information within the terms of the Australian Privacy Principles under the Privacy Act. We may ask you to provide medical reports about students from time to time. 6. Nazareth Early Childhood Centre, from time to time, discloses personal and sensitive information to others for legal, administrative and educational purposes. This includes government departments, the Catholic Education Office, the South Australian Commission for Catholic Schools, the College's local diocese and the parish, schools within other Dioceses, medical practitioners, and people providing services to the College, including specialist visiting teachers, sports coaches, volunteers and counsellors. 7. If we do not obtain the information referred to above, we may not be able to enrol or continue the enrolment of your child. 8. Parents or guardians may seek access to personal information collected about them and their child by contacting the Early Childhood Centre. However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in the breach of the centre's duty of care to the child, or where children have provided information in confidence. | <ol style="list-style-type: none"> 9. Nazareth Early Childhood Centre from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. The Centre may store personal information in the 'cloud' which may mean that it resides on servers which are situated outside Australia. 11. In the event of default of payment of fees, the ECC may refer the default to a debt collection agency. If this occurs, personal information will be disclosed to the agency and you will be responsible for the collection costs. 12. The Centre's Privacy Policy also sets out how you may complain about a breach of privacy and how the Centre will deal with such a complaint. 13. During the course of their time with us at Nazareth Early Childhood Centre, children will produce a variety of work. From time to time, sound recordings, photographs or video images of children and their learning are taken in the centre or at places where the children are involved in an excursion or activity.
