

THE UNIVERSITY  
of ADELAIDE

# How we can support your school

## CAREERS WORKSHOP

Year 10

45 - 60 minutes

This online interactive workshop is designed to help your students find their path to their ultimate career while learning about jobs of the future. Through interactive activities, the workshop will guide students to explore their interests and determine how these can be translated into viable employment outcomes. This workshop is also designed to complement PLP activities.

## A BRIGHT FUTURE

Year 12

30 - 60 minutes

This session for year 12 students includes an overview of our degrees, support services and facilities as well as looking at campus life, entry requirements and pathways. This presentation can be ran as a live webinar through Zoom or Adobe Connect to allow for questions. There is also the ability to present it as a pre-recorded video.

## PREPARING FOR A BRIGHT FUTURE

Year 11

45 - 60 minutes

This online session prepares students in Year 11 with information on setting up successful study habits managing stress; the importance of subject selections; the university application and study structure. It also covers campus life and the student support available. We have the ability to run this through Zoom or Adobe Connect allowing for a Q&A session.

## UNI LIFE WORKSHOP

Year 10 and 11

40 - 60 minutes

This workshop is delivered as an online webinar to allow for the collaborative thinking that would normally happen in a classroom. Together, the students will explore what Uni is really like, dispelling some of the common misconceptions between high school and university as the transition can be daunting. The students will work through online activities and quizzes throughout

## JOBS OF THE FUTURE

Year 10, 11 and 12

45 - 60 minutes

Our Jobs of the Future live online presentation is designed to get students thinking about the 'Jobs of the Future' and what this could mean for their future career options and direction. Hear about emerging technologies and industries, as well as the skills students will need to thrive in the ever changing workforce.

## PRE RECORDED VIDEOS

Year 10, 11 and 12

We have put together a suite of pre-recorded 10 minute videos that cover the following areas

- How to Apply
- Student Life
- Year 11 Preparing For A Bright Future
- ATSI presentation

These were created to be readily available YouTube links to share with your students to give meaningful insights into the University of Adelaide.
