ECC - 6 students are invited to wear brightly coloured casual clothing or cultural clothing on this day to celebrate our diversity and the myriad of cultures present in our community.

Students will gather on the oval to eat recess as a community and will have the opportunity to participate in a variety of activities with their buddy classes throughout the day.

R-6 | World Maths Day - Tuesday Week 7

On Tuesday 14 March (Week 7) we will be celebrating all things Maths at the Findon Campus.

Students will participate in a variety of activities throughout the day as well as have the opportunity to come to school dressed in a maths themed costume.

Costumes don't need to be complex, just somehow reflect maths. Please click "Read more" to see our gallery of images from last year. If your child chooses not to dress up, they will need to come to school in the correct school uniform.

We look forward to celebrating the significance of maths in our everyday life with this fun day.
