## R-6 | Welcome to Term 2

A warm welcome back to all families for Term 2. I trust that you all enjoyed a slower pace over the term break which was accompanied by some glorious weather.

You may have noticed the reimagined animal area which now includes a yarnning space for the students to enjoy. Over the coming weeks students will work with David Booth, an Aboriginal artist to create a mural that will be painted on the wall of the building visible as you enter the school at eh Front Kiss and Drop. Watch this space!

The Year 5 students will experience the inaugural Year 5 Camp with a one-night stay at the Aboriginal Studies and Kaurua Culture Camp located at Aldinga Beach. The students are very excited about having this opportunity to learn and engage with their friends and teachers outside of the school environment.

A reminder to please inform Student Services via email [student.services\\_p@nazareth.catholic.edu.au](mailto:student.services_p@nazareth.catholic.edu.au) or on the Primary College Absentee Line (8406 5105), as well as your child's class teacher, should your child be absent from school at any given time. This will help to avoid any unnecessary text messages received from Student Services.

All items belonging to your child/ren must be clearly named. Often unnamed items of clothing, drink bottles and containers end up in Lost Property, and without a name, are unable to be returned.

I look forward to all the interactions and experiences that will take place within our community over the course of Term 2.

Thank you for your ongoing support and engagement with your child/ren's class teacher/s and all staff on the Findon Campus.

May God bless you all.

## 7-12 | Academic Support Program

As part of Nazareth's ongoing commitment to supporting each student to achieve success, the Academic Support Program will continue in Term 2.

Academic Support is for students who may need additional assistance to consolidate their learning of various subjects, those who would like some extra guidance when completing their homework or simply for students who would like a quiet place to study. A Nazareth teacher will be available to work with students at each Academic Support session. The program is held in the Veritas Centre, on Monday to Thursday of each week during the school term and will operate from 3:45 – 5:00 pm.

There is no need to sign up, students can come for any amount of time they like, and there is fresh fruit on offer to give the students a healthy energy boost.
