## Nazareth Weekly: Term 2, Week 6, 2023

### Community | Share Your Culture – Engagement Opportunity

Engage in our student's learning.

**Year 7 Italian Culture Day** - Thursday 29 June and Friday 30 June, 9am - 12noon, Flinders Park Campus

If you are of Italian heritage we are seeking volunteers across our 2 mornings to assist with making gnocchi, bocce and lawn games, making Italian good luck charms and a mega quiz.

If you, or someone in your family is interested in this opportunity, please contact [Victoria Richardson](#).

### Community | Upcoming Family Masses

- Sunday 18 June, 11am, hosted by Our Lady of the Manger Church, Findon
- Sunday 25 June, 9am, hosted by Sacred Heart Catholic Church, Hindmarsh

## Community | COYYA World Youth Day

On Saturday 5 August, the Catholic Office for Youth and Young Adults (COYYA) are hosting a local World Youth Day celebration in Adelaide for those aged 18-35. The day will include interactive workshops, a special WYD liturgy and concert at Sacred Heart College, Somerton Park.

The main workshop is delivered by Gianna Lucas – co-founder and CEO of Happow, a gamified eLearning life skills platform to help young people not just survive but thrive! Gianna will help young people identify their gifts and talents and share practical ways of responding to the needs of the world today.

A workshop series will follow the main workshop with a variety of relevant topics available for young people to choose. These sessions will be led by youth leaders from Adelaide who are making a difference in our communities. The sessions are designed to inform, create a space of dialogue and encourage young people to take action.

A special World Youth Day liturgy will take place linking into the theme of WYD. This liturgy will involve interpreting the gospel passage of “Mary arose and went with haste” (Lk 1:39) through contemporary music and dance, an opportunity to reflect on the current world and how we continue to respond to the needs today.

Ending the night with a celebration – the WYD concert features Rock Indie duo, Gus & Iggy from Wollongong and local musicians. Gus & Iggy have performed at events across Australia, including the Australia Catholic Youth Festival. Gus & Iggy will bring the sounds and energy of WYD through music for our young people.

For more information, please visit [www.cathoyouthadelaide.org.au/world-youth-day](http://www.cathoyouthadelaide.org.au/world-youth-day)

If you are interested in attending, please contact [Isabella Dametto](#) (R-12 Catholic Mission and Outreach Officer).

## Community | Please Leave Your Pets at Home

The safety and wellbeing of our students, families and community is of utmost importance. As such, this is a friendly reminder that puppies, dogs and cats are not permitted on our campus premises, including all buildings, outdoor areas, and sports fields, unless prior permission from the Head of Campus has been gained.

The Dog and Cat Management Act 1995 states that:

*“A person who owns or is responsible for the control of a dog is guilty of an offence if the dog (not being an accredited disability dog, guide dog or hearing dog) is in, or in the grounds of, a school, kindergarten, child care centre or pre-school centre without the permission of the person in charge of that place.”*

We kindly request your cooperation in adhering to this policy. If you are dropping off or picking up your child, we kindly ask that you leave your dog at home or make appropriate arrangements for their care during these times. We appreciate your understanding and support in creating a safe environment for everyone in our community.

## R-6 | Pupil Free Day Tomorrow

*R-6 Reminder*  
**Pupil Free Day**  
**Friday 9 June, Week 6**

*Due to Staff Formation Day. Nazareth OSHC service will be available on this day.*

[www.nazareth.org.au/college/primary/oshc](http://www.nazareth.org.au/college/primary/oshc)

A reminder for families that tomorrow, **Friday 9 June (Week 6)** is a **pupil free day for all R-6 students** due to a Staff Formation Day. Nazareth OSHC service will be available on this day.

## R-6 | MSP Photos Catch Up - Monday Week 8

On Monday 19 June (Week 8) MSP will be returning to take the student photos that were not able to have their photos taken on Monday 5 June.

Students that were not able to have their photo taken, will be able to have their family or individual photos taken on Mop Up day from **8:30am** in the **Jubilee Room (OSHC Room)**.

If you would like a family or individual photo order envelope, please see Student Services.

Full winter uniform is required. Year 6 students are required to wear their gold jumper.

## R-6 | Findon Campus Parking & Traffic Education Session

All R-6 families are invited to attend an upcoming Findon Campus Parking & Traffic Education Session in collaboration with the Charles Sturt Council.

Date: Wednesday, 21 June

Time: 9:00 am

Location: Catherine Community Centre

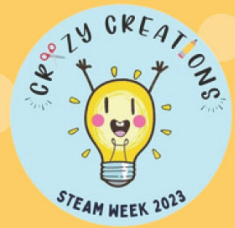

A representative from the Charles Sturt Council will be facilitating this education session, which is an opportunity for parents and caregivers to seek clarification on the traffic and parking requirements specific to our Findon Campus area.

Please note that this session will not involve discussions or proposed changes to traffic controls. Its aim is to provide clarity around parking requirements and address any questions parents/caregivers may have. While the Council acknowledges that they have issued a number of expiation notices around our Findon Campus, this session is not intended to discuss individual or specific penalties.

This session will greatly assist families' understanding and compliance with the regulations in our vicinity, contributing to a safe and organised traffic environment and considerate parking culture for the benefit of our entire community.

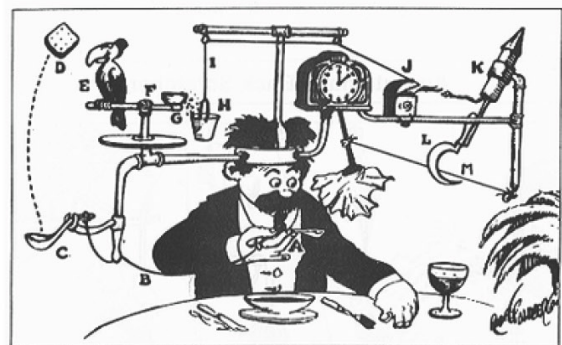

# Crazy Contraptions

## Steam Week Challenge

### What is it?

The Crazy Contraptions Challenge is a task where students must create an invention or device, that uses a chain reaction to accomplish a very simple task in a very complicated way.

**The Face Wiping Machine**

Your task is to create a device that can complete a simple, everyday task, using a complex chain reaction. The device must be made in your own time at home, using everyday materials (e.g. toilet rolls, cereal/shoe boxes, Lego, books, milk cartons, etc). Once completed you must take a video of your 'CRAZY CONTRAPTION' and explain how it works.

#### YOU WILL BE JUDGED ON:

- The name of your contraption
- How complex your design is
- How many household items you include
- Your video explanation

#### PRIZE TIME!

The winner will receive a \$50 gift card

#### NEED SOME INSPO?

Want to see how you can create a Crazy Contraption from home? Scan the QR code to find out!

All applications must be emailed to either Mrs. Bordignon or Miss. Watson by Tuesday of Week 8

Attention all young inventors! Are you looking for an exciting and imaginative activity this long weekend? Get ready for R-6 STEAM Week in Week 8 by participating in our challenge!

This year's challenge is all about creating a mind-boggling "Crazy Contraption". Taking inspiration from Rube Goldberg machines, can you accomplish something simple in the most convoluted way possible?

You might like to take some inspiration from our [video on Facebook](#), rewinding back to 2018 when our creative students took on the same challenge with awe-inspiring ideas... like activating the TV, dropping a bath bomb, and even feeding the chickens!

To participate, submit your entry via video by Thursday of Week 8 (22 June). Don't forget to check out the complete brief and instructions by clicking here: [bit.ly/3MV4WE1](https://bit.ly/3MV4WE1)

## R-6 | STEAM Week Assembly & Number Facts Tournament

On Thursday 22 June (Week 8) the Findon Campus will gather for a special STEAM Week Assembly in the MacKillop Hall from 9:15am - 10:00am. As well as showcasing the STEAM Week Challenge entries, this assembly will feature our annual Number Facts Tournament. All parents/caregivers are warmly invited to attend.

## R-6 | STEAM Week Crazy Hair Day

On Friday 23 June (Week 8) all R-6 students are invited to come to school with 'Crazy Hair' as part of our 'Crazy Creations' STEAM Week celebrations. Through this initiative we are raising money for Catholic Charities. More information about donations via the Qkr! App will be available in the Week 7 newsletter.

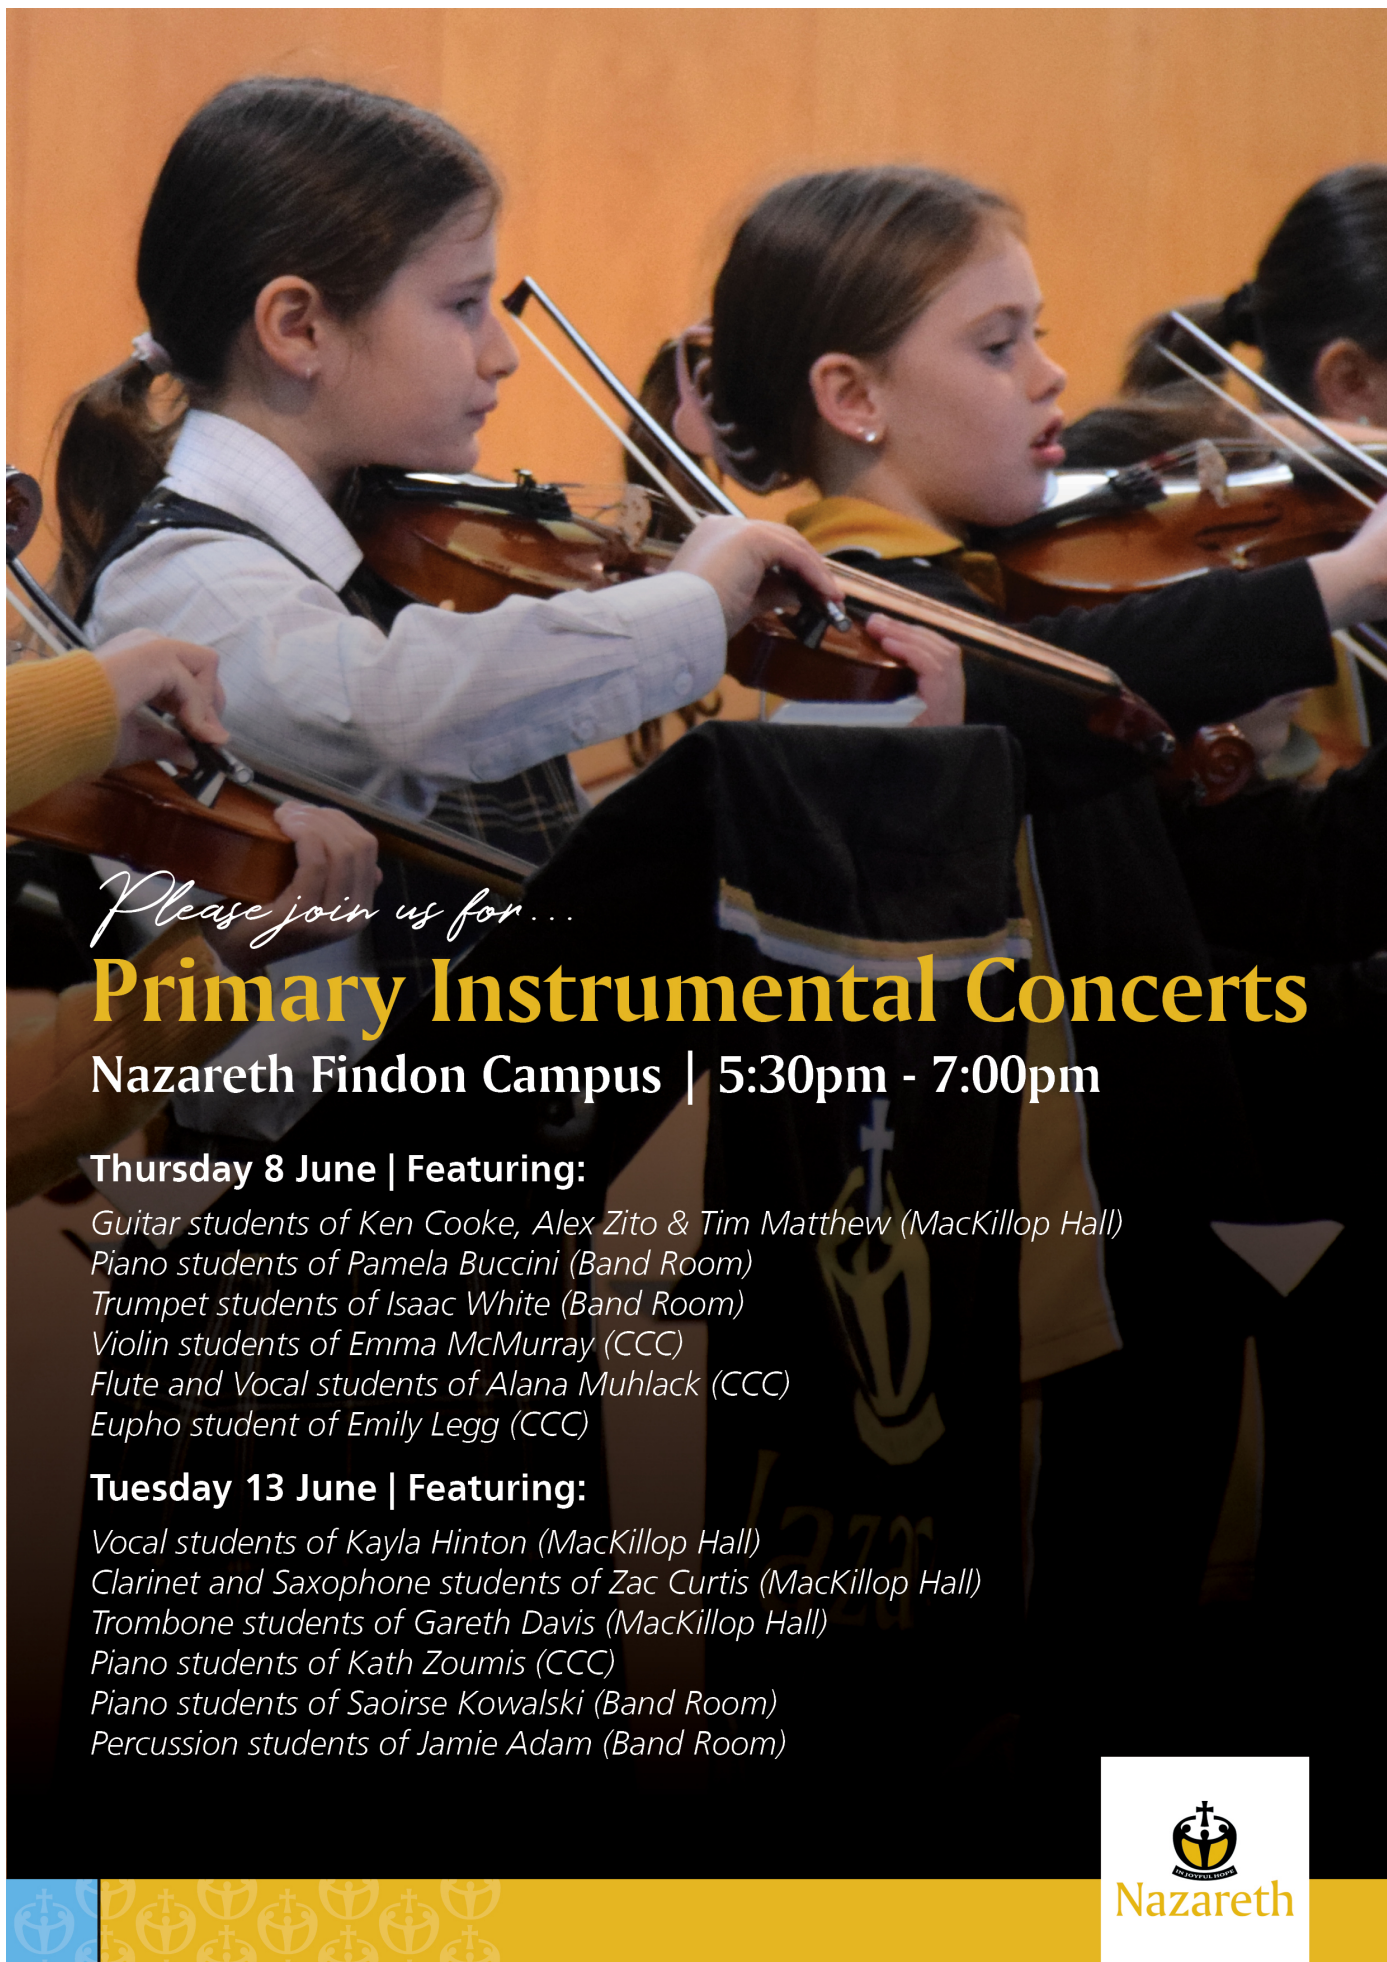

## R-6 | OSHC Parent Advisory Committee

Nazareth OSHC Service is seeking support and advice from our families.

Our goal, as always, is to improve in planning and developing meaningful learning experiences in collaboration with the students, their families and our educators.

We invite all OSHC parents / caregivers to join the Parent Advisory Committee, which will meet a maximum of once a term. Committee members will help us to implement improvement in our OSHC and Vacation Care program, organisational procedures and policies.

**If you would like to join the OSHC Parent Advisory Committee, please contact OSHC Director Preety Christian via 0439 896 557 or [preety.christian@nazareth.catholic.edu.au](mailto:preety.christian@nazareth.catholic.edu.au)**

A warm invitation is also extended to parents / caregivers of other year levels who may be interested in attending this event.

We look forward to welcoming you and anticipate this to be the first of many opportunities for us to come together. Please stay tuned to the [Nazareth Catholic College 7-12 Parents Group](#) on Facebook for additional dates and opportunities to meet and connect with us.

## Year 8-10 | Dance and Drama Evenings

- An Evening of Dance: Thursday 15 June, Week 7
- An Evening of Drama: Tuesday 20 June, Week 8

## Year 9 | Rite Journey Mentoring Program

In 2023, students participating in the Rite Journey will learn about the importance of mentoring in young people's lives. The familiar saying 'It takes a village to raise a child' is an indication of the importance for children and adolescents to be surrounded by well-meaning adults; they are best served by a community of guidance.

When one adult relationship in a teenager's life is under stress, it is vital that other adult relationships take the strain, rather than allowing the peer relationships to take on the guiding roles - something young people are not well equipped to do.

There is a healthy body of research which suggests that the more adults that adolescents are connected to in a positive way, the less risk factors they will expose themselves to, and hence they are safer. With this in mind, we are encouraging all families to select a mentor for their child. This person should be an adult who is willing to be in regular contact with the student and give their time freely.

The role of the mentor is to:

- Develop a trusting relationship
- Support parental values
- Provide help in developing social skills
- Share in celebrating milestones
- Listen to dreams, ideas and concerns
- Promote the discovery of undeveloped potential.

In selecting a mentor, they should be someone who:

- Already has a positive involvement with the child and/or family
- Is willing to have meaningful conversations with the child
- If interested and able, would be willing to complete a shared Rite Journey Mentor project. This project would be up to the student and mentor to decide and implement together as they see fit.

Your child has been given a letter from their Rite Journey teacher to pass onto their chosen mentor.

Should you have any questions around this initiative, please consult the mentor page on the Rite Journey website <https://theritejourney.com/resources/for-mentors/> or your child's Rite Journey teacher.

## Year 12 | Stage 2 Performance Evening

Please join us for...

# Stage 2 Performance Evening

Thursday 22 June | 7:00pm

Nazareth Flinders Park Campus | Performing Arts Space

Featuring Stage 2 Music Students, Jazz Combo, Stage Band 1, Vocal Jazz 1 and Senior Rock Band

Please note the evening is for SACE assessment purposes and all performances will be recorded.

## Year 12 | Wellbeing Sessions

Over the next few weeks in the Year 12 students well-being sessions they are currently in the rotation cycle which sees students undertake:

- Online CPR training and assessment

- Practical CPR training and assessment
- Financial Literacy sessions
- Sessions on 'micro' credentials and tips for employment success
- Learning about employment trends and using databases to support employment

On another note, AIF, the compulsory Stage 2 aspect of the SACE, is nearly complete and will be finalised in the next few weeks. It might be worthwhile to have a chat with your child about how they are progressing with their final Appraisal. A reminder that AIF support occurs at St Gabriel's on Tuesday's after school.

We appreciate our ongoing partnership to support our young people.

## Careers, Pathways and Partnerships | Year 10 Try-a-Trade

Western Technical College will once again be offering Try-A-Trade courses during Term 3, 2023.

Try-A-Trade is designed for Year 10 students to explore hands-on training in various industry areas, and supports students to explore their future pathways.

Students work with industry professionals and trainers to undertake practical tasks that showcase the reality of work and skills needed in industry. The courses are non-accredited and provide valuable insights and experiences that will be useful when applying for VET courses and Flexible Industry Pathways (FIPs) as part of SACE in years 10, 11 and 12. See here what our current Try-A-Trade students are up to at Western Technical College!

### Important Information:

If you are thinking about future job opportunities in the Child Care industry, participation in this FREE Industry Immersion Day is highly recommended.

As well as providing some hands-on skills and understanding about the child care industry and pathways, participation in the day can be used as evidence of your learning for your enrolment in future study.

Please [register your interest here](#) so you don't miss out on this great opportunity.

This immersion Day would also be a great introduction if you are interested in undertaking the Cert III in Early Childhood Education and Care in the 2023 mid-year intake. Starting this qualification mid-year is great for any student who will be going into Year 12 in 2024 because it will help with the placement completion of the 160 hours, and will also allow more flexibility with end of SACE resulting in 2024. A Working with Children Check is a prerequisite to participate in the Cert III ECEC. Cert III in ECEC will incur a cost to families (to be subsidised by Nazareth Catholic College). Classes are held every Friday during the term, commencing 21st July 2023. Theory classes resume in mid-January 2024 and will finish mid-year.
