# Music Ensembles

## **Naz Combo**

The Nazareth Naz Combo is directed by old scholar and skilled jazz Pianist, Daniel Anderson. This ensemble is arguably Nazareth's top ensemble, with its ability to play extremely challenging repertoire and tackle a wide variety of ensembles. The ensemble also looks forward to performing at the Catholic Schools Music Festival in week 10 of this term.

## **Senior, Intermediate & Primary Concert Bands**

The three Nazareth Concert Bands rehearse for an hour, once a week, and work on repertoire of a grade 1-5 AMEB standard. These ensembles provide an opportunity for students to further develop their technique and musicality through group performing and rehearsing. In 2023, the two Secondary ensembles have focussed on studying classical concert band repertoire which has challenged our students to listen intently, work on individual and ensemble phrasing, dynamics and continue to grow in quality. The Senior Concert Band was privileged to be selected to perform as a part of the inaugural Adelaide Wind Festival during Term 2. In addition the ensembles will compete in the ABODA band competition in Term 3.

## **Nazareth Stage Band 1**

The Nazareth Stage Band is an auditioned ensemble that rehearse weekly from 8.00 – 9.00am in addition to lunchtime sectionals. The ensemble works on jazz repertoire and annually competes in the largest School Jazz Festival in the southern hemisphere, 'Generations in Jazz'. Over 5000 students from over 100 schools across Australia travel to Mt Gambier to compete at this event.

## **Nazareth Stage Bands 2 & 3**

The Nazareth Stage Band 2 is directed by Mr Wesley Brice and achieved a fantastic result in winning division 4 at Generations in Jazz this year and will also be featured at the Catholic Schools Music Festival later this Term. Students should be commended for their dedication and consistent work ethic. Our Stage Band 3 ensemble is also growing musically under the direction of Miss Mensforth.

## **Senior & Primary String Ensembles**

Directed by Nazareth Instrumental Tutor and Parent, Emma McMurray, the Nazareth String Ensembles are expanding and growing each year. The ensembles enjoy collaborating with various music ensembles in numerous performances this year and looks forward to featuring in our opening and closing showcase numbers once again.

## **Vocal Jazz 1 & 2**

Students in our Vocal Jazz ensemble range from Years 7 to 12 and have varying experience as vocalists. Despite heavy schedules, students in these ensembles rehearse weekly in the afternoon. The ensembles compete annually in the Generations in Jazz festival and once again both groups represented our College with excellence. These ensembles are audition-based, and students are expected to be undertaking vocal/instrumental tuition to be a member. We look forward to re-auditioning these ensembles early in Term 4, with both year 7s and 8s eligible for a place in 2024.

## **Secondary Choir**

The Secondary Choir comprises students from Years 7-12 and performs at a variety of concerts and events throughout the year. Under the direction of Mrs Purser, the ensemble crosses many musical genres including jazz, folk, gospel, pop and classical and are looking forward to presenting their repertoire tonight.

## **Evocalise**

Evocalise are a 5 piece acapella vocal ensemble, who have been working hard to prepare their number for tonight, performing a hit from one of the most well-known musicals. This unique senior ensemble consists of experienced vocalists and multi-instrumentalists, and they have been performing together for a few years now! This performance will feature all students on individual parts, and a big shout out to our beatboxer Daniel Bendys!

## **Catholic Schools Music Festival (Primary) Choir**

The Catholic Schools Music Festival Primary Choir is made up of Year 5 and 6 students who like to sing and are proud to do so. This ensemble maintains students' love and enthusiasm for singing. Students are highly motivated and energetic which makes each rehearsal a lot of fun for all involved. The students have been rehearsing for the Catholic Schools Music Festival, which requires two-part singing and will occur in week 10 of this term at the Festival Theatre. This year, this ensemble made the first row, which is an outstanding effort!

## **3-4 Primary Choir**

The 3-4 Choir fosters the joy of singing music together and are the highlight of the week for many students, not to mention our conductors. We thank Mrs Jessica Parrella and Mrs Chloe Waldron for their great work with this ensemble.

## **Kuma Warra Choir (Friday Performance Only)**

Our Inclusive Education choir is a wonderful ensemble providing students the opportunity to work on vocal technique, develop many skills and enjoy singing together. With a name "Kuma Warra", meaning with one voice, this ensemble looks forward to collaborating with students from Our Lady of La Vang to present their performance.

# Performing Arts Groups

## **Aerobics Groups**

Congratulations to our aerobics teams for a hugely successful year. They competed in two FISAF competitions! The 'Naz Starz' made up of Year 7 to 9's won their section and the 'Naz Galz' senior team, made up of year 8's-12's won third place. Both teams have come such a long way and we are incredibly proud of their commitment and determination. The girls, coached by Mrs Weston, Ms Ebenreuter, Olivia Reardon and Nina Wall, have worked extremely hard.

## **Year 9 Drama Academy**

Year 9 Drama Academy is a specialist course designed for committed Drama students who want to extend their creativity and practical skills by working as an ensemble. The 2023 class have enjoyed the opportunity to work collaboratively using physical theatre and mask to create a filmed movement piece to accompany the combined concert band's performance of Phantom of the Opera.

## **Senior Dance & Year 9 Dance Academy**

The dance pieces for tonight's performance involve students from Dance classes including Nazareth's Year 6 Specialist Contemporary and Hip Hop Groups, specialist tap, some year 8's, specialist lyrical dancers, the Year 9 Dance Academy class and the Year 10 Dance class. The dancers will perform in a range of genres choreographed by Tina Ebenreuter, Hayley Weston, Rayzelle Worthington and the dancers themselves. The variety of work presented demonstrates the diversity within the Dance program here at Nazareth. Please enjoy the wonderful talents of the dancers who have given up much of their own time to rehearse for tonight's performance.
