

# FEE STRUCTURE AND FINANCIAL INFORMATION FOR FAMILIES 2025

**All parents are expected to honour their financial commitment made at enrolment in paying school fees.**

Income from school fees and other relevant costs paid by families complements funding received from the state and federal governments for your child's/children's education.

This private income is essential to provide the best education for your child/children and to the operation of the College as Government funding does not cover the full costs of educating children in South Australian Catholic schools or maintaining or updating school resources or facilities.

## What are the school fees for 2025?

The following table represents tuition fees for students who are eligible for 2025 Government Grant funding:

**Is there a discount if I pay my fees in full early?**

An early payment discount of 5% is applicable to the net tuition fees (gross total fees for all students in a family less sibling and external sibling discounts) if paid in full by **28 March 2025**. For families who commence during the year, the 5% early payment discount is applicable if the net tuition fees are paid within 30 days of the student/s commencement.

**What other discounts are available?**

In addition to an early payment discount, sibling discounts are also available if relevant.

**Sibling Discounts**

The following discount on the Tuition Fee is given to families with more than one student at Nazareth Catholic College:

2 students	10% off each fee
3 students	20% off each fee
4 students	30% off each fee
5 students or more	40% off each fee

**External Sibling Discount (for children attending another Catholic Parish Primary School)**

1 sibling	5% discount off net amount
2 or more siblings	10% discount off net amount

To access this discount, an *External Siblings Discount Form* needs to be completed and provided to the Finance Office by **28 March 2025**.

**What other costs may I expect to be charged in 2025?**

The 2025 fee structure excludes a range of other costs that will be dependent on the year level/s of your child/children and their co-curricular activity.

The College's fee structure excludes and charges separately:

- Secondary students subject list (stationery, subject levies, activities and sport academies)
- Uniforms
- Musical instrument hire
- Secondary students Co-curricular fees - e.g. after school sport, music choirs and bands, pedal prix, chess, debating, aerobics, intrastate, interstate and overseas trips etc.
- Additional photocopying or printing above the student quota
- Damage to a school loaned device (e.g. iPad, tablet, laptop) will be charged a repair cost for each occasion.

- School loaned devices not returned at end of the year will incur a \$1,500 charge to replace the device.
- VET course costs are split 50/50 (i.e. The College will pay 50% and parents/caregivers will pay 50%) up to a maximum College contribution of \$1,500 per year. Parents/caregivers should note the rules regarding withdrawal and costs that may be incurred.

The above fees are billed during the year depending on the type of charge and when your enrolment in the VET course is confirmed.

### **Do you offer split accounts?**

Enrolling parents/caregiver(s) are jointly liable for all school fees as per the Acceptance of Offer (Enrolment contract) and therefore family fee accounts are billed to the enrolling parent(s)/caregiver(s). As per The South Australian Commission for Catholic School Fee policy, the College expects families to make their own arrangements to pay school fees. Nazareth Catholic College will not separately invoice accounts unless there is an active Court Order specifying how charges are to be separately billed to each parent/caregiver. A copy of the relevant section of the Court Order must be provided to the Finance Office before accounts are billed separately.

Please contact the Finance Office if you wish to further discuss your family arrangements.

### **What if our financial situation makes payment of fees difficult or if our financial situation changes?**

The College's Fee guidelines ensures that all students are given the opportunity to succeed by offering family discounts and fee remissions for families on low income and School Card. Families who qualify for School Card are entitled to a 50% reduction on net tuition fees only (excludes other charges). Please contact the Finance Office to check the criteria for 2025. The School Card application form may be completed electronically at [www.nazareth.org.au/enrolment/fees](http://www.nazareth.org.au/enrolment/fees).

Families who receive the school card discount are also eligible to apply for a partial fee remission (based on financial circumstances). Please complete the *Fee Remission / Fee Reduction Application form* and return for review.

Families who do not qualify for School Card, but who feel they have difficulty in meeting the tuition fee payment requirements due to their circumstances, may apply for partial fee remission (which excludes other charges). Please complete the *Fee Remission / Fee Reduction Application Form* available from the Finance Office and return it to the Finance Office with relevant information (marked 'confidential') for review by the Business Manager or Finance Manager. Appointments are welcomed and we request the application form and supporting documentation are completed and submitted before making an appointment.

Your financial information, discussions and arrangements will be kept strictly confidential and only available to the Business Manager/Finance staff and referred to the Principal/Deputy Principal/Head of Campus if required.

### **What if I fail to pay the school fees on time?**

It is the responsibility of all parents/caregivers to pay school fees on time. The College offers three options for paying fees and, if you are unable to pay by the due date, you must contact the Finance Office to discuss a payment plan.

Nazareth is required to take all reasonable and legal steps, including a debt collection agency where necessary, to ensure school fees are collected in full within the school's policy or agreed individual written arrangements.

**Please note:** Families of students participating in co-curricular trips are required to be up to date with their school fees or have an approved payment plan in place for their child to be eligible to participate on the trip.

### **What if my child leaves prior to the end of term or at the end of the school year?**

Parents/caregivers whose child leaves the College during a term or at the end of the school year must provide at least one term's written notice to the Head of Campus. Failure to provide a term's notice may result in fees being charged for the following term dependent upon the circumstances. This is in recognition of the fact that the College is committed to maintain the employment of teachers on the basis of known enrolments from one term to the next.

### **Student Absences**

Payment of fees is still required when a student is absent from school for any period of time (i.e. overseas holiday, trip or sickness).
