

## STUDENT DRIVING POLICY

Year 11 and Year 12 students requesting to drive and/or carry passengers to and from Nazareth must complete a Student Driver Application Form.

Students are requested to complete the application form together with their Parent/Caregiver for full transparency.

Permission to drive and carry other passengers is only for the journey to and from school or between campuses during the school day. **Students are not permitted to drive, either themselves or other students, to school-related activities during the day that are not held on a Nazareth campus.**

Any student driving another student to and from school or between campuses must have written permission to do so from the parents of that student, as well as their own parent/caregiver.

It is compulsory that the student's drivers licence, along with the necessary approval to drive and or carry passengers, is received by a Year Level Coordinator via the appropriate forms, before approval to drive to and from school or between campuses is granted.

When submitting a Student Driver Application Form, students are required to complete the following Student Driver Declaration and provide a copy of their Driver's Licence.

## STUDENT DRIVER DECLARATION

When submitting a Student Driver Application form, students must declare that they are the driver/owner of the stated vehicle, and declare as follows:

**For the privilege of driving, I willingly accept the following conditions:**

- I will always park my car in the areas designated as student parking. I am aware that only Year 12 students are allowed to park in the campus carpark and that Year 11 drivers are to park in surrounding areas, ensuring they follow all road rules regarding legal parking requirements and are respectful to neighbours.
- I will not go to my car without permission while at school.
- I will not carry any passengers (ie students) while travelling to or from school or between campuses unless the necessary permission forms have been signed and submitted.
- I will not drive, either myself or other students, to school-related activities during the day that are not held on a Nazareth campus.
- I will drive my vehicle safely and responsibly and will not drive my car in a manner dangerous to the public while in school uniform, remembering that my actions reflect upon the College.

**Furthermore, as the driver of this vehicle, I declare that:**

- No passenger will occupy a seat not fitted with a seatbelt.
- The vehicle will not be overloaded.
- I am aware of, understand and will abide by the Road Traffic and Safety Rules and Laws regarding driving, drugs and/or alcohol.
- I am aware of the laws regarding the numbers of passengers I am able to transport.

- The Nazareth College Board accepts NO liability for an accident or injuries sustained in an accident that involves private vehicles.
