Compounding Technician

What is a Compounding Technician ?

As a Compounding Technician, you'll prepare custom-made medications tailored to meet a patient's unique needs — from creams and capsules to children's medicines and pet treatments!

No Experience? No Worries!

We provide full training in a supportive team environment. You'll learn hands-on skills and gain insight into the pharmaceutical industry.

We're Looking For:

- Interest in health, science, or medical careers
- Strong attention to detail
- Reliable, responsible, and eager to learn

Pharmacy Dispensary Technician

What is a Pharmacy Dispensary Technician?

As a Dispensary Technician, you'll play a key role behind the scenes in the pharmacy. You'll help prepare prescriptions, manage stock, and support the pharmacist in delivering safe and accurate medication to patients.

No Experience? No Worries!

We provide full on-the-job training in a supportive environment, plus nationally recognised Guild Training of Australia qualifications.

We're Looking For:

- Great attention to detail
 - Keen to learn and grow in the healthcare industry
-

Pharmacy Retail Assistants

What is a Pharmacy Dispensary Technician?

As a Retail Assistant, you'll be the friendly face of the pharmacy – helping customers find what they need, recommending products, keeping the store tidy, and supporting the team with day-to-day tasks.

No Experience? No Worries!

We provide full training and a welcoming team environment where you'll gain skills in customer service, health product knowledge, and retail operations. Perfect for students who enjoy working with people and want to kick-start a career in healthcare or retail.

We're Looking For:

- Strong communication skills
- Friendly personality with a positive attitude
- A positive attitude and willingness to learn
- Reliable, punctual, and committed
- Enjoys working as part of a team
