RE: Important Update – Specialist Curriculum and Co-Curricular Programs for 2026

Dear Families,

As a college throughout 2025 we have conducted a comprehensive review of specialist subject areas and co-curricular programs, focusing on quality and ongoing improvement. This process included gathering feedback and evaluating benefits, efficiencies, and costs to guide future program planning.

From 2026, Sport Academies will become Specialist Curriculum Sport Subjects. These specialist curriculum subjects will no longer have a specialist coach/instructor for every session. Instead, one session per week (1x80 minute session) will have a coach/instructor and every four weeks a strength and conditioning session will be run specifically tailored to the relevant sport or activity.

If you elect to do a specialist curriculum sport subject, it is also a requirement that you commit to participate in after school sport. Hence you will be billed for both the academy class and co-curricular sport as the school incurs costs for both programs. The fees outlined below are a contribution to the overall costs of subjects and activities offered.

Specialist Curriculum Subjects (During School Hours)

Families will be invoiced for the following subjects that occur inside school hours:

Subject Offering	Fee (\$)
• AFL & AFLW	\$200.00
• Basketball	\$300.00
• Netball	\$300.00
• Outdoor Education	\$450.00
• Soccer	\$300.00
• Volleyball	\$200.00

Fees for VET courses and qualifications are based on fees charged by VET providers and are invoiced in line with the [Nazareth VET Guidelines & Fee Policy](#).

Co-Curricular Activities (Outside School Hours)

Families will be invoiced for the following activities that occur outside of school hours:
