

Platform 1 Barbershop at 138 Trimmer Parade, Seaton are currently offering an opportunity for a motivated student to undertake a **School-Based Apprenticeship in Barbering**

We are looking for a student who is committed, reliable, focused, and genuinely passionate about learning the craft of barbering within a real shop environment.

We believe this opportunity would be a great pathway for a student to gain hands-on industry experience, grow their skills, and earn extra income while completing their studies.

If this sounds like something you might like, or if you'd like more details (training schedule, hourly expectations, supervision, etc.), please feel free to contact **Platform 1 Barbershop** directly.
