

INDUSTRY DAY

Food & Hospitality Pathways

This is a taster session for Year 11 students to explore a career pathway in the Food and Hospitality Industry. This Industry Day offers students the opportunity to participate in a day program and gain experience, with some hands-on practical activities.

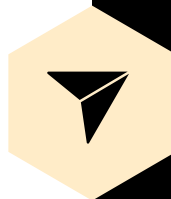

AIM OF THE PROGRAM

- Assist students to make informed decisions about their career and training pathways by providing exposure to the food and hospitality industry.
- Help students fulfil their VET Readiness (VETRO) requirements by supplying a certificate of participation, to be used to enroll into SIT20421 Certificate II in Cookery in Semester 2 2026.

PLANNED ACTIVITIES

- Cooking demonstration
- Preparation of two complete meals
- Recipe discussions
- Introduction to VET and careers in the hospitality industry
- Outline of Certificate II in Cookery course delivery and entry requirements
- Enjoy eating your meals!
