

Nazareth After School Program

Term 2

Aussie Hoops Basketball

Dear Parents and Caregivers,

Thank you for nominating your child to participate in our afterschool **Aussie Hoops Basketball** program, **run by West Adelaide Bearcats.**

These clinics are provided as an opportunity for our students to explore a variety of sports in a comfortable environment, whilst being coached by trained professionals. It's a great steppingstone for students to find a sport they are passionate about and ultimately one day represent Nazareth or at club level.

Please see the details below outlining the relevant information and most **importantly how to register.**

Parents and caregivers are encouraged to come and watch the sessions, as it is a requirement for parental supervision to be present. If your child normally attends OSHC they will be supported to make their way back to OSHC at the conclusion of the clinic.

Should there be a need to change or cancel one of the sessions the school will notify parents via email and text message.

We hope your child enjoys this experience. If you have any questions, please don't hesitate to get in contact.

Regards,

Mr Lukas Antoniadis
