	Nazareth Gold (4) defeated St. Michael's Gold (2)	Saturday our Nazareth U8 Gold team played St Michael's, and it was a fantastic game. We began the match with a few players missing, but the kids adapted brilliantly and worked together with real determination. Once the remaining two players arrived, the team lifted even further, and our structure really came together. It was a great contest between both sides, and Luca had an outstanding day, scoring all four of our goals including two impressive free-kick finishes. Monika was over the moon after providing her first assist, setting up Luca for his fourth goal of the match. As we always say: teamwork makes the dream work, and today the kids truly showed that. Goal scorer: Luca (4) Coach: Mr Vashek David
