

Come & Try Horticulture

The South Australian Learning Centre (RTO ID 4881) is offering a COME & TRY HORTICULTURE Day.

Located at the Minda site at North Brighton, this 1-day event is designed to give students a hands-on taster of what is involved in working in the horticulture industry and what skills can be gained by enrolling in an accredited Horticulture VET course at SALC in 2027. Statements of Attendance will be issued.

11th September 2026
