7-12 | Aerobics Auditions

Aerobics presents an exciting co-curricular opportunity for students passionate about dance and fitness. The Co-curricular Aerobics program is open to students in Years 7-12, coached by Mrs Hayley Weston, Miss Nina Wall and Miss Olivia Reardon.

Annually, Nazareth enters multiple teams in the FISAF Aerobics Competition. Auditions for the 2027 teams will take place in Week 3 at the Flinders Park (FP) Campus.

Audition details:
• Year 7 and 8 Audition: 3:30 – 5pm, Tuesday 9 February, FP Campus PAS.
• Year 9, 10, 11 and 12 Audition: 3:30 – 5pm, Wednesday 10 February, FP Campus PAS.

Further information can be found below.

During auditions, students will showcase their skills and learn a short routine, demonstrating strength and flexibility through various exercises. It is expected that students arrive prepared with a water bottle and wearing suitable dance attire and sneakers.

Aerobics requires a great deal of commitment from those who are selected to be involved. Before auditioning, families should carefully consider the following:

• Weekly after-school commitment for training and rehearsals in the Performing Arts Space
• Possible school holiday rehearsals (dates to be advised)
• Availability for school events and competitions, including the Super Series Competition and the State Competition: dates have not yet been released.
• A commitment fee of $300 (GST inclusive) covering costume hire, shoes, dance stockings, accessories, membership, and entry fees for competitions.
Please note: if you would like to purchase your own shoes to keep, it will be at your own cost.

Please be advised that Nazareth will not attend the 2027 National Championships should we qualify, as we only participate every second year.

Students who are interested in auditioning for Aerobics in 2027 must discuss these (above) commitments and considerations with their parent/caregiver, and nominate via Clipboard Activity Selection.
