“a music program that prides itself on pursuing excellence in every area.”

Music @ Nazareth

"Music is a moral law. It gives soul to the universe, wings to the mind, and life to everything... Without music, life would be an error. " (Plato)

Mission Statement

Music at Nazareth aims to enable children from all backgrounds and every part of the Nazareth Community to have the opportunity to learn a musical instrument; to make music with others; to learn to sing; and to have the opportunity to progress to the next level of excellence.

Aims and Objectives

To create an environment in which students are:

- ↳ Encouraged to appreciate and participate in a wide range of musical experiences
- ↳ Provided with a range of learning opportunities appropriate to student needs and abilities
- ↳ Encouraged to pursue excellence in music performances
- ↳ Encouraged to develop an awareness of their responsibility as a member of a team
- ↳ Fostered and encouraged to involve their families in support for the College Music Program

Students are encouraged to participate in a comprehensive program of musical activities, both curricular and extra-curricular.

Students who do not wish to study music as a formal subject have the opportunity to learn an instrument and receive tuition through the College. Nazareth supports tuition in a full range of instrumental and vocal music and encourages students to perform publicly.

Liturgical music is also prepared for a variety of mass and liturgical celebrations.

While recognising a good need for balance, performance is given a high priority in the student's musical development. The value of such experiences outside the curriculum has been highlighted during performances in and around Adelaide, as well as interstate and overseas. Such performances extend the repertoire and experience of our musicians and provide an invaluable opportunity to excel.

Music at Nazareth is designed to facilitate individual knowledge and skill development as well as social development for our students through their primary and secondary years and beyond.

Curricular

The elective music course provides a sound basis and background of experiences for students to take SACE Music Stage 1 and 2. All elective music students are required to take weekly 30 minute instrumental or vocal lessons and participate in a class instrumental ensemble, supplemented by relevant theoretical components.

Year 7 Special Interest Music students with no previous experience are required to undertake tuition on an instrument, ideally a concert band instrument. Advanced piano students who wish to major in that instrument in senior years are encouraged to gain experience on another instrument in order to participate actively in ensembles where there are only limited positions available for keyboard players.

It is expected that students give a three-year commitment to the subject in order to gain the maximum benefit from tuition, normal hire fees and to consolidate their own efforts.

Co-curricular

Nazareth has a number of senior ensembles including band and choirs. Most ensembles are filled by invitation, though some are auditioned groups. It is expected that students taking part in these ensembles are undertaking tuition on their voice or instrument at this level. Students accepting an invitation or membership to these ensembles are required to attend all rehearsal and performance schedules for that year.

All students who undertake instrumental tuition from years 7-12 are expected to be involved in at least one ensemble and are strongly encouraged to be in more.

Senior students may wish to enrol in some of the performance units offered through the College. Ensemble performance and solo performance may be undertaken as formal subjects, or individual units. Before enrolling, students must seek the advice of the Director of Music.

R-12 Music Information Page & Clipboard

To help families and students stay informed, the Music Department maintains an **R-12 Music Information | Nazareth Catholic Community page**, which is updated regularly with important information including rehearsal schedules, upcoming performances, events, notices, and music opportunities. Students and families involved in the Music Program are expected to check this page weekly to ensure they remain up to date with all current information.

The Music Department also uses Clipboard for rehearsal scheduling and attendance management. Once a student has been enrolled in a co-curricular music ensemble, their rehearsals and attendance records will be managed through Clipboard. Students and families will receive notifications through the platform regarding rehearsal schedules, cancellations, changes to rehearsal arrangements, and other ensemble-related communications. Families are encouraged to regularly monitor Clipboard to stay informed and communicate any attendance matters with ensemble directors.

Ensembles 2027

Music at Nazareth Catholic College provides a range of ensembles for musicians who achieve the appropriate skill level on their instrument or voice. In most cases, students should undertake instrumental or vocal tuition to be eligible for membership in these groups.

Conditions of membership for all groups

1. You are expected to attend all rehearsals and performances within the calendar year. If you are unable to attend, as much advance notice as is practicable should be given to the Ensemble Manager so alternative arrangements can be made. In the case of unforeseen absence the Ensemble Manager should be contacted as soon as possible after the rehearsal.
2. You are expected to arrive at rehearsals at least 10 minutes before the scheduled start time for setting up and tuning. All students must help pack up at the end of rehearsal.
3. Students are expected to adopt a professional attitude to rehearsals - exercise good rehearsal technique, be attentive and maintain effort to the best of their ability. Practicing their parts with their instrumental tutor, and at home will also benefit the ensemble.

4. A pencil must be brought to all rehearsals.
5. Instrumental or vocal tuition must be undertaken in most cases. Please check with the Director of Music if you are unsure that this condition applies to your chosen ensemble.

Co-curricular Music Participation Fee

Students participating in Music Bands, Orchestras, Ensembles and auditioned Choirs are required to pay an annual Co-curricular Music Fee of \$200 per student. This fee supports the delivery of the College's co-curricular music program and allows students to participate in one or more eligible music ensembles throughout the year.

Please note: No co-curricular music fee applies to non-auditioned choral ensembles that do not require prerequisites for entry, including:

- ↳ R-2 Choir
- ↳ 3-4 Choir
- ↳ CSMF Choir
- ↳ College Choir

These choirs are available to students without an additional co-curricular music fee.

Performance and Development Program

The combined co-curricular program endeavours to provide a well-rounded musical experience for each student. Each year a variety of different performance opportunities are provided for each ensemble including informal and formal performances, competition and/or festival performances, workshops and tours.

Audition Process

All students wanting to be involved in a co-curricular ensemble must return the attached form at the back of this booklet to the Music Department.

Most ensembles are filled by invitation but for the following an audition must be completed:

- ↳ Stage Band 1, 2 & 3
- ↳ Vocal Jazz 1, 2 & 3
- ↳ Jazz Combo
- ↳ Senior Flute Ensemble

Some auditions are held in term 4 in preparation for the following year. Rock Band auditions are held early in the new year once students have nominated interest through the co-curricular nomination form.

Rehearsals

Rehearsals for all ensembles will begin in Week 2 Term 1 in 2027 unless otherwise stated by the Ensemble Director.

Attendance Policy

Regular attendance at lessons and rehearsals is one of the most important aspects of the Music Policy. Rehearsals and concerts take the highest possible priority. Please bear in mind that our performances reveal to the public the standards of our College. Each student must have a strong command of her individual part at each rehearsal. Each student is expected to help with the set up and packing away of chairs and stands at the beginning and end of each rehearsal.

An attitude of cooperation must characterise one's participation at all times. Punctuality is vital. Preparation for and attitude in all ensemble work will affect future placements in all groups. The only allowable absences from rehearsals are for health reasons or with your conductor's prior approval (e.g. camps, excursions). It is the student's responsibility to see the conductor before missing a rehearsal. In the case of illness, a note of explanation from parents, addressed to the conductor concerned, must be forthcoming. Three unexplained absences from rehearsals in any term may call for disqualification from participation in the ensemble and possibly in the music program. Lateness will be noted. Three late arrivals will be counted as one absence. All students should be present and seated five minutes before the rehearsal is due to begin. In the week of a concert, all students must be present at rehearsals or face exclusion from the concert performance.

Outside commitments or participation in other music organisations during scheduled school ensemble rehearsals or concerts will not be considered reasons to be excused from school commitments. Students must commit themselves to the full year's musical program. Choirs, orchestra, bands and ensembles depend heavily on the participation of every member every time. It is preferred that students in instrumental ensembles must be either learning at school, in a private or group capacity or outside the school privately.

Timetabling

At the Middle and Senior Campuses, students undertake lessons through a rotational timetable structure. This ensures the students do not miss out on the same class each week. Where possible, a set time may be negotiated, however first preference will be given to senior students. All Primary Campus students have set times as discussed by negotiation with the class teacher and student/parents.

Lessons will be scheduled at 30-minute intervals throughout the school day. Most students will be required to occasionally have lessons over recess and lunch breaks (some students request this).

Students, particularly at the Secondary campuses where lessons rotate, are responsible to check their lesson time for each week and be on time for their lesson. This can be done via the Instrumental Noticeboard in the Flinders Park Music Department or via the college website at **R-12 Music Information | Nazareth Catholic Community**

Fees & Payment Of Accounts

Instrumental lessons incur a cost that is outside of the regular school fees. This cost of lessons goes directly to the instrumental teacher, and Instrumental teachers issue an account. This is payable in advance, generally within 14 days. If special circumstances prevent any family meeting this deadline, then parents are requested to negotiate directly with the Instrumental teacher concerned. Students will not be able to continue lessons if the fees are outstanding. Please attend to the fee payment or negotiation promptly.

For 2027, instrumental teachers are recommended to set fees between **\$37-39** per half hour lessons for individuals. The option of shared lessons is also available for select instruments at the primary campus only (recommended to be set at \$28 for half an hour). Please see the Director of Music (Ruby Mensforth) for further information on paired tuition. All students will take private lessons once each week and will undertake approximately 16 lessons for the semester (7-10 lessons per term).

Under no circumstances are parents or students permitted to alter any details on the accounts given. Any queries related to an account are to be addressed directly to the Instrumental teacher concerned. Parents are welcome to contact the teacher directly by telephone or email. Payments must be made directly to the tutor via payment methods dictated by or negotiated with the Instrumental Tutor.

Students and/or parents are, without exception, **not** to leave the payment with a Nazareth Catholic College staff member (including the Nazareth Music staff). The College will not be held responsible for any money related to the Instrumental Program.

Instrument Labelling And Insurance

If an instrumental tutor is absent, the instrumental tutor will notify students and/or parents directly as well as the Music staff, who will notify students. The teacher will either make up the lesson or subtract the fees from the next term's account (this is at the instrumental teacher's discretion).

Instrumental Tutor Absence

If an instrumental tutor is absent, the instrumental tutor will notify students and/or parents directly as well as the Music staff, who will notify students. The teacher will either make up the lesson or subtract the fees from the next term's account (this is at the instrumental teacher's discretion).

Student Absence

If a student is unable to attend an instrumental lesson for any reason (including school events such as excursions, camps or other school activities), it is the responsibility of the parent/caregiver or student to notify the Instrumental Tutor via phone call or SMS no later than **6:00pm on the day prior** to the scheduled lesson.

Lessons missed without sufficient notice will be forfeited and are not required to be rescheduled, credited or reimbursed.

Where sufficient notice has been provided for lessons missed due to College calendared events (excursions, workshops or other approved school activities), a maximum of **two lessons per term** may be rescheduled or credited at the discretion of the Instrumental Tutor. Instrumental Tutors are not obligated to provide make-up lessons or credits beyond this limit.

Please note the following conditions:

- ↳ **Lessons missed due to mid-term family holidays will be forfeited and are not required to be rescheduled, credited or reimbursed.**
- ↳ For students enrolled in paired or group tuition, lessons will proceed if the remaining student(s) attend. Missed paired or group lessons are not required to be rescheduled, credited or reimbursed.

It is essential that students and families regularly check the College calendar and personal commitments to minimise clashes with instrumental lessons. Instrumental lessons will not be scheduled during whole-school events such as Athletics Day and Naz Day.

Reports

Instrumental Reports will be issued with the general school reports each Semester.

Withdrawal From Program

It is assumed that all students who enrol for instrumental tuition will undertake a full year's tuition. If it is necessary for a student to be withdrawn from lessons this is to be organised through written notification from the parents to the Music Administrator, Mel Wissell or Director of Music, Ruby Mensforth, and the Instrumental teacher concerned by the 8th Friday of the term (Friday Week 8 of the respective term). The student must complete the term's tuition that notice has been provided in. **Please note that if notice is not given by the required time, then the following term's fees will be charged and are payable in full.**

It is assumed that students will continue with instrumental tuition for each year of their schooling while at Nazareth. Please give notice to the Director of Music (Ruby Mensforth) or the Music Administrator (Mel Wissell) by the end of Term 4 if a student will not be continuing the following year.

Please note that instrumental hire is per semester, and refunds are not available if withdrawing in the middle of the semester.

Music Tuition Agreement Form

The Music tuition agreement form available online for Flinders and Kidman Park **HERE** and Findon **HERE** (or on the Nazareth website at: **R-12 Music Information | Nazareth Catholic Community**) is to be read carefully (especially the conditions outlined in the document) and signed and returned to the instrumental program coordinators (Mel Wissell & Ruby Mensforth). If doing the online version, the relevant coordinator will be automatically notified.

Practice

In order to make steady progress, students should develop a regular practice routine. Efficient practice each day will yield better results than spasmodic efforts. Parental guidance and encouragement in this regard is most beneficial.

Please consider the following points:

- ↳ Your child will need a room in the house where they can practice without being disturbed. Preferably well ventilated, with good light to assist in reading music. The purchase of a music stand (if appropriate) to promote correct posture is also advised.
- ↳ Regular, daily practice is essential, as a guide 10 - 20 minutes per day for beginners gradually increasing to 25 - 30 minutes daily. It is recommended that students practice at the same time everyday to establish good playing habits quickly. Practicing for shorter periods everyday is far better than playing for a long session once a week.
- ↳ Parents of younger students may consider a "Star Chart", where for example your child is set a goal of twenty days' practice with a reward at the end of it.
- ↳ Tutors will assist by telling students what and how to practice.
- ↳ Generally speaking, if a student makes a mistake when practicing, they are playing too fast. If a mistake is made, the student should: slow down, isolate the mistake and work on that section, and spend practice time on the trouble spots. A pencil, not a pen, should be used to mark music. Circle the sections that are proving difficult, and practice those sections more than the rest of the piece.
- ↳ Periodically the student could make a recording of themselves playing, to help analyse their progress.
- ↳ Parents can greatly assist by taking an interest in what the student is playing and offer encouragement.
- ↳ **Only practice on the days you eat!**

Communication

Where possible, tutors are encouraged to give parents a contact phone number so they can be directly advised of an absence.

Parents are encouraged to contact instrumental tutors regarding progress, practise and development of their child's instrumental lessons.

Nazareth provides Tutors with the necessary information such as contact addresses telephone number of parents for billing and communication purposes.

Accompanying

Where instrumental students are required to play with an accompanist, they are asked to observe the following courtesies:

- ↳ supply the accompaniment well in advance of the first rehearsal
- ↳ book a practice room if necessary
- ↳ arrange rehearsal times with the accompanist
- ↳ be familiar with the work(s) before meeting with the accompanist
- ↳ inform the accompanist promptly if they are not required or if a performance or rehearsal is cancelled.

Use of the Music Centre:

Nazareth has new facilities with a large range of equipment and resources. Students are expected to respect these by observing the following rules.

- ↳ Food and drink is not to be brought into the Music Centre by students.
- ↳ Practice rooms are to be left in a tidy condition. Windows should be closed, air-conditioning and lights turned off when a student leaves the room.
- ↳ Rooms used for class lessons should be left in a tidy condition. **The computer laboratory and band room may only be used with staff supervision.**
- ↳ School instruments eg. percussion and sound equipment are expensive and should be treated with respect. Equipment should not be removed from any room without the permission of staff.
- ↳ Instruments must be stored neatly in the designated areas of the storage room.
- ↳ At recess and lunchtime, students are able to use the Music facilities only with approval from a staff member.
- ↳ The noticeboard should be checked by all students daily – notices and alterations to lesson times will be posted there.
